## From our Director of Missions

***"Responding to God's Call: Your Church, Our Association, His World" is the theme for this annual meeting. It is vitally important that your church be represented at this meeting. I challenge you to come and see what God is doing through the Little River Association churches today. Even more than just hearing about our ministry, it is critical that you take the news home to your church for encouragement, blessings, and challenge in the name of Jesus. Please help us share the Gospel! "Come and see what God has done, how awesome His works in man's behalf. (Psalm 66:5 NIV) - Dan***

### North American Missions Emphasis *Living With Urgency*

The Annie Armstrong Easter Offering supports over 5,000 missionaries seeking to reach an estimated 251 million unbelievers in the USA and Canada with the Gospel of Christ. Ministries extend to American Samoa, Guam, Puerto Rico and US Virgin Islands.

The National Goal for 2008 is \$61 million.

Be assured that 100% of AAEO funds directly support NAMB missionaries within three major categories: Career, Short-Term and Mission Service Corps. Church & community ministries include: campus evangelism; new church starts; campgrounds and resorts; chaplaincy; and more.
