## From our Director of Missions

*Spiritual transformation describes the process of moving from a carnal person to a spiritual person. This is made possible by the supernatural birth, the perfect life and the power of the cross...where Jesus showed us God and was fully vindicated by the resurrection. The Christ promised He would send the Holy Spirit upon us. By His doing and our receiving, we want to go tell the story of our Savior to the world. As we prepare for Easter, I think of the song that asks the question, "Is my master satisfied with me?" Time spent with confession, repentance and forgiveness is a wonderful way to start every day of life. Open your hearts to the leading of the Holy Spirit and you will be blessed.*

***"But you shall receive power, when the Holy Spirit has come upon you; and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth." Acts 1:8***

- Dan
